Guernsey Badminton

Guernsey Badminton has been an association since 1925.

The Guernsey Badminton Halls currently includes 8 badminton courts, a bar, a canteen area and changing facilities.

Advertising at this site offers great exposure, with over 300 official members and 400 casual members regularly using the facilities, as well as many primary and secondary school students.

Social groups also regularly use the facilities, including the Scouts, the WI, fitness bootcamps and Skill Set CI. The facilities are also used to hold large fundraising and social events.

"Many a small thing has been made large by the right kind of advertising"

Advertising at Guernsey Badminton

Available exclusively through local media agency Advertise Limited.

The Guernsey Badminton Halls provides a unique and exciting opportunity for local companies to promote their goods and services to a target audience.

Ambient advertising such as this is an effective means to engage with potential customers and is one of the fastest growing advertising mediums.

Utilising ambient advertising is a must for any business looking to build brand awareness, to generate new business or to launch something new.
